><p>Episode 1

_Enter Stone who comes across Hennings who seems to be intensely examining a wall. _

Stone: Oi! Rookie! What the fuck are you doing?

No response

**Stone: **_(walks closer) _Hey! I asked you what you're

doing!

_Hennings looks up slowly _

**Hennings: **Oh hi! _(stares)_

Stone waits for reply

**Stone: **yaaâ€¦ hiâ€¦

_More silence _

**Stone: **Whatever. When you're done, come up stairs. We have plans to discuss for the mission

_Stone exits. Hennings slowly looks back at wall. _

**Hennings: **_(slowed speech) _Waitâ€¦ what mission?

_Scene change to base top. _

**Sergeant: **Alright men! Listen up! Come tomorrow we're going to be moving out. Now Levi!

**Levi: **_(sounding bored) _sir?

**Sergeant: **I want you to take that position where you sneak in and grab stuff (_turns to Stone) _Stone! I want you to follow him around and act as lookout! I'll be on the outside, watching. Waiting for you two dimwits to get caught! Then I'll jump in and save the day!

Stone scoffs. Sergeant ignores him. Hennings pokes his head up.

**Hennings: **Sergeant! Sergeant! What about me? What do I get to do?

**Sergeant: **_(awkwardly) _ummmâ€¦ uhâ€¦ well you canâ€¦ stay here! And..uhâ€¦ guard the base! It's probably the most important job of them all! Isn't it Stone?

**Stone: **_("wakes up") _what? Oh.. ya! Totally! Without someone guarding the base we would.. y'know... We would get robbed!

**Levi: **_(sarcasticly)_Oh ya. Robbed. Cus we definitely don't want those rocks over there to get stolen. _(gestures at rocks)_

**Hennings: **_(excited) _Really? I'm so happy! I am going to go practice! _(runs off and is seen in distance "practicing") _

_The others turn back to conversation _

**Stone: **So anyways. What we're going to take is ammo and food right?

**Levi: **What if they've started heavily guarding everything because of last time?

****Sergeant:** ****huhâ€|** well I guess we'll just have to wing it then.
Aaand BREAK!

****Levi:** **** waitâ€|** what? That's your "plan"? That's not a plan! We can at least go up and check out the town with the sniper rifle before we risk our lives

****Sergeant:** ****What?** That's a ridiculous plan! I have a much better Idea! What if! We took the sniper rifle up to the mountainâ€| and checked out the town before we put our lives in danger! It's perfect!

****Levi:** ****That's** it. I'm leaving. **_(exits towards Hennings)**

—

****Sergeant:** ****Stone!** Get me my sniper!

****Stone:** ****Why?** Get it yourself!

****Sergeant:** ****_(grumbling as he walks away)** **_A bunch a' useless good for nothingâ€|**

_Scene changes to Hennings and Levi. Levi is attempting to have a conversation. Mistake. _

****Levi:**** All I'm saying is that it would be nice if we had an extra hand y'know? Are you even listening to me?

****Hennings:** ****_(pretending)** **_Yes! Yes! Umm.. something about an extra hand! Yes! I think it would be cool to have a third hand! Then you could use one to eat sandwiches, one to color, and one to wave at people with! It would be amazing.**

****Levi:**** **_(annoyed)** **_What?** No! hhhhh I mean an extra person! Y'know, to help out!

****Hennings:** ****oooo.** I love helping. There was this one time I got to help the fireman! There was this kitten! And thenâ€|

****Levi:** ****Shut up Rookie!** Hhhh. I don't even know why I'm botheringâ€| **_(looks up at mountain where Sergeant and Stone appear to be arguing)** **_What are they doing now?** **_(mumbled)** **_**

_Scene change to Stone and Sergeant _

****Stone:** ****I** just wanna look!

****Sergeant:** ****No way!** **_(Looks through scope)** **_Oh noâ€|** this could be a problemâ€|

****Stone:** ****What?** What could be a problem? Serge! Just let me look! C'mon!

****Sergeant:** ****Stoneâ€|** **_(serious business)** **_get the others.**
